GRO-BARK (ONTARIO) LTD.

## Aged Bark Fines – Low pH

### Aged Bark Fines

- Aged softwood bark mulch and soil amendment
- Fresh aroma, dark to rusty brown colour
- Maintains a low pH, suitable for plant growth

**Aged Bark Fines** can be used as mulch for a variety of plants including trees, shrubs and perennials. This product is suitable as a soil amendment. When used correctly, aged softwood fines can contribute to increased organic matter content, microbial population, and pH reduction.
