Dear Ms. Berlie:

**Re: Walkers Aggregates Inc.  
Position of the Niagara Escarpment Commission  
Case No.: 08-094**

---

At the meeting on November 18, 2009, the Niagara Escarpment Commission took a position not to support the applications by Walkers Aggregate Inc. to amend the Niagara Escarpment Plan and for a Development Permit. We enclose three copies of the NEC staff report for the panel members of the Joint Board on this matter. The minutes of the November 18 Commission meeting will be provided once they have been approved at the next meeting on January 21, 2010.

Should you have any questions or require additional information, please contact Kathryn Pounder, Senior Strategic Advisor at (905) 877-3794.

Yours truly,

Don Scott  
Chair
