IN CONSIDERATION of the acceptance of such wastes and the payment therefore, the parties agree as follows:				
1. The Generator warrants that all waste deposited by or on behalf of the Generator at the site will be non-hazardous solid waste as defined by the Regulation.

Should any illegal or unacceptable waste be found in any load, or, after deposited in the landfill and traced to the Generator, the Generator authorizes Niagara Waste to have such illegal/unacceptable waste removed from the site at the Generator’s expense, and undertakes to pay such charges forthwith.

Generator will indemnify and save harmless Niagara Waste from any loss, damage, action, prosecution, fine, costs, expenses (including the expenses of defending any such action or prosecution), or other costs to which Niagara Waste may be subject to a result of any misrepresentation by the Generator or the deposit of any illegal/unacceptable waste by or on behalf of the Generator at the site.
